Chandrakhani Pass is one of the most popular Himalayan treks with moderate difficulty. Legend says that the chief deity of Malana was passing through this route carrying a basket full of Gods of Kullu. Somehow, his basket opened and all the gods blew over Kullu, since then this region is known as the Valley of Gods.

Chandrakhani Pass provides enthralling views of Deo Tibba and Pin Parvati range of mountains. One can see the snow clad Himalayan peaks with imposing heights and the most amazing yet dramatic sunrises ever.

Of course, a question most likely to occur to you will be why you must choose GIRIVIHAR...Here's the answer.
